

Subject Geography

Year 8

**Curriculum Map
2017 -2018**

Week Commencing	Topic (including links to additional resources)	Assessment Window
9/10/17	Asia - China: Communism vs democracy – what are the similarities and differences? What is life like under the two systems? (Resources = Knowledge Organiser, YouTube and BBC News)	
16/10/17	Revision for AR1 and assessment. (Resources = Knowledge Organiser, YouTube, BBC Bitesize and SAM learning).	AR1
October Half Term		
30/10/17	DDI for AR1: Wave 1 and Wave 2. Reassessment of key areas of study.	AR1
6/11/17	Asia - China: Population - The One Child Policy and its recent changes (causes, strategy, impacts, future of China) (Resources = Knowledge Organiser, YouTube, BBC Bitesize and SAM learning).	
13/11/17	Asia - China: Population - what are the future impacts of the One Child Policy? - What could China learn from Japan? (including population pyramids) (Resources = Knowledge Organiser, YouTube, Acegeography.com, BBC Bitesize and SAM learning).	
20/11/17	Asia - China: Population - a piece of history - hidden tribes of China (a matriarchal society). What are its challenges? How does it differ to a tribe previously learned about? (Resources = Knowledge Organiser and YouTube)	
27/11/17	Asia - China: How does development and a growing population in China impact on the land and water access? (What is it? Where is affected? Strategies?) (Resources = Knowledge Organiser, Acegeography.com and YouTube)	
4/12/17	Asia - China: Development - The Three Gorges Dam (why was it built? Is it sustainable? How? What are the social, economic and environmental impacts? Evaluate this strategy.) (Resources = Knowledge Organiser, Acegeography.com and YouTube)	
11/12/17	Asia - China: How does development and a growing population in China impact the land? - A focus on desertification. (What is it? Where is affected? How is it managed?) (Resources = Knowledge Organiser, BBC Bitesize, Acegeography.com and YouTube)	

Ormiston Meridian Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Christmas Break		
1/1/18	Asia - China: What are natural hazards? Where do they occur globally? How is China affected? – Mapping challenge. (Resources = Knowledge Organiser, s-cool.co.uk/geography, BBC Bitesize and YouTube)	
8/1/18	Asia - China: What are earthquakes? What can the impacts be? How are they measured? How are they managed? (Resources = Knowledge Organiser, s-cool.co.uk/geography, BBC Bitesize and YouTube)	
15/1/18	Asia - China: Earthquake case study - Sichuan (what were the causes? What were the impacts? How was it responded to?) Issues evaluation - GCSE skill. (Resources = Knowledge Organiser, coolgeography.co.uk and YouTube)	
22/1/18	Revision for AR2 and assessment. (Resources = Knowledge Organiser, YouTube, BBC Bitesize and SAM learning).	AR2
29/1/18	DDI for AR2: Wave 1 and Wave 2. Reassessment of key areas of study.	AR2
5/2/18	Asia: What are volcanoes? (What can the impacts be? How can these be categorized? How can we predict and monitor them? How are they managed?) (Resources = Knowledge Organiser, BBC Bitesize, YouTube and handygeography.wordpress.com)	
12/2/18	Asia: student issues evaluation - volcano case study Sichuan (what were the causes? What were the impacts? How was it responded to?) Issues evaluation - GCSE skill. (Resources = Knowledge Organiser, s-cool.co.uk/geography, BBC Bitesize and YouTube)	
February Half Term		
26/2/18	Asia - India: What is it like? –What and where are its physical and human features? (Resources = Knowledge Organiser, YouTube, RGS website, BBC Bitesize and SAM learning).	
5/3/18	Asia - India: What biomes does India have? (Scale and location of biomes, what activities occur within these biomes? How have animals and plants adapted within these biomes?) (Resources = Knowledge Organiser, YouTube, RGS website, BBC Bitesize and SAM learning).	
12/3/18	Asia - India: The River Ganges. (How are deltas formed? What are the impacts of living near a river delta?) (Resources = Knowledge Organiser, YouTube, coolgeography.com, BBC Bitesize and SAM learning).	

Ormiston Meridian Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

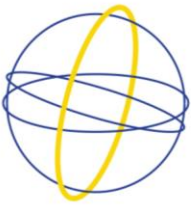

19/3/18	Asia - India: Monsoons (What are they? How are they formed? What are the impacts of both wet and dry monsoons in India? How do we cope with them?) (Resources = Knowledge Organiser, s-cool.co.uk/geography, BBC Bitesize and YouTube)	
26/3/18	Asia - India: Cyclones (What are they? Where do they occur? How are they caused? Summarise their impacts) (Resources = Knowledge Organiser, s-cool.co.uk/geography, BBC Bitesize and YouTube)	
Easter		
16/4/18	Revision for AR3 and assessment. (Resources = Knowledge Organiser, YouTube, BBC Bitesize and SAM learning).	AR3
23/4/18	DDI for AR3: Wave 1 and Wave 2. Reassessment of key areas of study.	AR3
30/4/18	Asia - India: The Indian Ocean Tsunami (how was it formed? Where was affected? What were the impacts and responses? How can they be managed?) (Resources = Knowledge Organiser, coolgeography.co.uk, BBC Bitesize and YouTube)	
7/5/18	Asia - India: Bhopal gas disaster (What caused it? What were the impacts? How was it responded to?) How does this link to development in India? (Resources = Knowledge Organiser, BBC News and YouTube)	
14/5/18	Asia - India: What is a NEE? Globalisation in Mumbai (what is globalisation? How does it impact people's lives? How has economic success affected the population?) (Resources = Knowledge Organiser, coolgeography.co.uk, BBC Bitesize, RGS Website and YouTube)	
21/5/18	Asia - India: Continuation of globalisation in Mumbai (what is globalisation? How does it impact people's lives? How has economic success affected the population?) (Resources = Knowledge Organiser, coolgeography.co.uk, BBC Bitesize, RGS Website and YouTube)	
May Half Term		
4/6/18	Asia - India: Interdependence (How are the UK and India linked? Case study of a call centre and life working in a call centre.) (Resources = Knowledge Organiser, s-cool.co.uk/geography, BBC Bitesize, RGS Website and YouTube)	
11/6/18	Asia - India: How is Mumbai impacted by urban growth? (Case study of the Dharavi Slum. What are the challenges of this? What are the strategies to manage squatter settlement growth? DME) (Resources = Knowledge Organiser, coolgeography.co.uk, BBC Bitesize, RGS Website and YouTube)	

Ormiston Meridian Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

18/6/18	Asia - India: Continuation of how is Mumbai impacted by urban growth? (Case study of the Dharavi Slum. What are the challenges of this? What are the strategies to manage squatter settlement growth?) (Resources = Knowledge Organiser, coolgeography.co.uk, BBC Bitesize, RGS Website and YouTube)	
25/6/18	Revision for AR4 and assessment. (Resources = Knowledge Organiser, YouTube, BBC Bitesize and SAM learning).	AR4
2/7/18	DDI for AR4: Wave 1 and Wave 2. Reassessment of key areas of study.	AR4
9/7/18	Asia - India: How has the growth of cities impacted on the environment? (The Indrus Basin Irrigation System - evaluate this strategy) (Resources = Knowledge Organiser, YouTube, BBC Bitesize and SAM learning).	
16/7/18	Asia - India: Comparing two places in India (How are they similar? How are they different?) GCSE skills practise - field sketches and graphing) (Resources = Knowledge Organiser, YouTube, BBC Bitesize and SAM learning).	

Ormiston Meridian Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
