Dear Parent/Carer,

Year 11 P6 Sessions

Year 11 is without doubt the most demanding time in a student's school career. The workload is significant, the expectations are high and the outcomes can be life-changing. We are extremely passionate about providing as many opportunities to allow your child to maximize their potential and one of those opportunities is 'P6'.

P6 is additional learning that takes place after school from 3.05 - 4.15pm. Students are expected to attend additional learning sessions as requested by their teacher. It is very likely that your child will be targeted for all subjects in the run up to the mock exams, however, the class teacher will let your child know.

Teachers will take a register at every P6 session and if your child should attend but does not attend you will be informed immediately. If there is a genuine reason why a student cannot attend a P6 session, please write/phone or email the teacher explaining this prior to the session.

A copy of the P6 timetable is below and your child has also received a copy of the timetable. Please note the following:

- P6 starts on Monday 10th September
- There is a priority 1 and priority 2 subject/faculty each week. If your child is not required at priority one then they may be required to attend priority 2.
- On a small number of occasions your child may have a clash of subjects for example Art and Food Technology on Tuesday week B. In this situation, the class teacher will inform your child of which P6 they must attend.
- An additional Art session has been arranged for week A Thursday lunchtime

If you wish to discuss any part of this letter with me please do not hesitate to contact me on 01782 377100 or email Miss Lovell on dlovell@omera.co.uk and a member of teacher staff will respond within 1 working day to your query.

Yours faithfully,

Mrs C Stanyer
Vice Principal
