Principal: Mr G. Jones

To Parents and Carers,

You may be aware that one day last week there were some issues with groups of young people, some older than school age, in the area and near to our academy. As a consequence, the police became involved. We would like to reassure you that we are taking this matter extremely seriously, including working very closely with the police as part of their ongoing investigation.

The safety of Meridian students, as always, is our top priority. Hence the increased staff presence at the end of the day, on occasion supported by the PCSOs and The Police. I can assure you that in the academy it is very much business as usual with students working hard and being actively involved in their learning, with Year 11 students in particular rising to the challenge of improving on last summer's excellent examination successes.

If you have any concerns, please of course contact your child's Head of Year in the first instance.

Yours sincerely,

G W Jones Principal

Ormiston Meridian Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
