Dear Parent/Carer,

Y7 Parent Questionnaire

I would like to take this opportunity to share with you how impressed the Academy has been with the progress, attainment and attendance of students in Year 7 and to thank you for your continued support of the school. It is crucial that moving forward we continue to have strong links between the school, the students that we teach and their parents.

As part of the Academies approach to continual development and improvement I would like to invite you to complete a short online questionnaire that aims to evaluate the school's approach to the successful transition of students from Year 6 into Year 7.

Please type the following link into your web browser:

<https://www.surveymonkey.co.uk/r/OMATransition1718>, or alternatively you will find the link on the school website. We will also be sending out the link via SMS.

I thank you in advance for taking the time to complete the questionnaire which will help us to develop and improve what we do for students and parents associated with the academy.

Yours sincerely,

Mr D Blundred
Lead Teacher for Transition
