

Humanities

Curriculum Mapping

Paper 1: Living with the physical environment.

Paper 2: Challenges in the human environment.

Paper 3: Geographical applications.

Final Exams

Issues evaluation prior to Paper 3.

Review of common misconceptions (revision)

Challenge of Natural Hazards

Earthquakes
Volcanoes
Climate change
Tropical storms
UK extreme weather

Changing Economic World

The development gap
Demographic Transition Model
Population
Impacts of economic development
Changing UK economy

Physical Landscapes of the UK: Coasts

Coastal processes
Coastal features of deposition and erosion
Coastal management- hard and soft engineering

Physical Landscapes of the UK: Rivers

River processes
Changes along the river from upper to lower course
River management and flooding

Fieldwork Enquiry and Techniques

Human and physical fieldwork

Year 11

Evolving ecosystems (Rainforests and deserts)

Physical interactions within ecosystems.
Locations of global biomes.
Ecosystems at different scales
Adaptations
Sustainability
Opportunities and challenges

Is it safe to live in hazardous areas?

Volcanoes and earthquakes
Physical process
Predict, planning and preparation.

Tourism? What are the opportunities and challenges?

The history of tourism
How tourism has changed
The future of tourism

Year 10

What are the opportunities and challenges facing Africa?

Biomes
Climate and drought
Food insecurity
Renewable energy
Development gap and poverty

What happens when the land meets the sea?

Coastal landscapes and features. How coastal landforms are created and how humans use the coast.

Diverse and dynamic: How is Asia being transformed?

Development
Economic growth
Industrialisation
NEE's

Year 9

Is the geography of Russia a benefit or a curse?

Landscapes and climate
Biomes
Conflict
Economy

How are populations changing?

Where do people live and why.
Population growth and structure.
Growing populations- One Child Policy
Migration

Is the earth running out of natural resources?

Climate change
Deforestation
Oil and its issues
Sustainability

Year 8

Fieldwork enquiry

Undertaking a geographical fieldwork enquiry

How does water shape the land?

Rivers- how do they change from source to mouth
Erosion and transportation
River features
Flooding (causes and management)

What is a Geographer?

Different types of Geography
My place
Map skills

Year 7
