

Performance Spare Kit Policy

- If a student forgets any item of their performance kit for a lesson they will be expected to request a spare set of kit from their teacher.
- Staff should only give students one of the item they require.
- OMA will wash all of the kit on a weekly basis and will provide; round neck t-shirts, shorts, socks and trainers/football boots (size dependent).
- Each student must give their teacher a school shoe and, in return, they will be given the spare kit they require.
- At the end of the lesson the student must collect their shoe and return the spare kit.
- If a student refuses to wear spare kit, high profile will be called and the student will be removed from the lesson.
- A 30 minute faculty detention will be given for any student that does not bring their full performance kit.
