22<sup>nd</sup> June 2023

Dear parent/carers,

### **Fundraising - Children with Leukaemia and School Sports Day**

I am writing to you to ask for your support in a fundraising activity we are carrying out in school starting the week beginning Monday 3<sup>rd</sup> July 2023. As you may be aware, we raise funds for Children with Leukaemia every year and in agreement with the charity, 50% of funds raised can be put to good use here in school, such as the annual Sports Day.

Without support, 'Children with Leukaemia' would not be able to carry out important research into cures and treatments for the disease or provide vital support for sufferers and their families. This year every student will take part in a 27 minute jog/run/walk around the school running track during their P.E. lesson. Total miles completed will be converted to points for Sports Day. We are asking students to collect sponsorship for their efforts, either a total amount, or per 400 metre lap of the running track. A sponsorship form is attached.

We hope you will support both this worthy charity and a very special day in the school calendar. If you are willing to source sponsorship, can we please ask that all monies are collected and returned, with the sponsor forms, by Friday the 7<sup>th</sup> July 2023.

Thanking you for your support in advance.

Yours faithfully,

Mr P Martin  
Assistant Head
