July 2024

Dear parents/carers,

As the academic year draws to a close it is important, we reflect on the successes of all our students. Once again, I am overwhelmed by the positive attitude so many of students show on a daily basis upholding our OMERA Standards that helps our students become well rounded individuals. The high number of students who show such fantastic manners never ceases to amaze me and it is a true pleasure to have them as part of our OMERA family.

Here at Ormiston Meridian Academy, we are very proud in how smart each and every student presents themselves daily, school uniform is an essential part in creating a professional environment where all students are valued. We believe that high standards of uniform help to establish the tone of Ormiston Meridian Academy and provide a clear identity enabling students to identify with their academy.

As the Summer term draws to a close, we start to look towards the start of the Autumn, with this in mind it is essential every student attends the academy dressed correctly in the school uniform from day one. The academies uniform policy can be found on the school's website. To ensure every student wears the correct uniform consistently, uniform checks are carried out daily, any student who is incorrectly dressed will be given a day's grace to address the issue before being isolated with their form tutor. Please find below a summary of the expectations of the academies Uniform Policy.

To ensure every student makes the most of every lesson from the moment they step into the building it is essential they have the Top Ten on them at all time. Please find below the Top Ten.

I look forward to welcoming our amazing students back in the Autumn term correctly dressed and with full equipment in their school bag.

I'd like to take this opportunity to wish all our incredible students and families a fantastic summer, I hope everyone takes some time to relax and recharge the batteries ready for the Autumn term.

Kind regards

Mr S Darlington

Vice Principal
